

The background image shows a multi-level restaurant interior. The ground floor features a long bar with a well-stocked backshelf of bottles. Above the bar, numerous modern, circular pendant lights hang at varying heights. Large, leafy plants are positioned behind the bar area. The upper level is accessible via a staircase and is enclosed by a glass railing. In the foreground, two round tables with dark wood bases and light-colored tops are visible, each with a lamp and some decorative objects. The overall atmosphere is sophisticated and modern.

Brasserie ASTORIA

About us

Brasserie Astoria Singapore is an international brasserie located in the iconic Victoria Theatre & Concert Hall with roots in the 1840s.

The concept of Brasserie Astoria was introduced in 2021 in Stockholm in a venue that was once a cinema. The Astoria of today wants to recreate the international and sophisticated experience with a strong focus on friendly, knowledgeable service.

Brasserie Astoria Singapore is open until late and offer an extensive à la carte menu. Several dishes are presented on serving carts and have their final touches prepared at the table. The brasserie also includes a beautiful bar area with a cocktail service.

Brasserie ASTORIA

Floor Plan

Our restaurant has a maximum standing capacity of 250 guests, and 120 guests for a sit-down lunch/dinner, which includes a private dining room accommodating 10 guests and a bar with 16 seats.

Please note: Our large furniture items are fixed and cannot be moved. We can assist with relocating smaller, movable items like square tables and chairs if needed. Additional charges may apply for any furniture adjustments.

For full buyout enquiries, contact our team at reservations@brasserieastoria.sg & ysabel.yaneza@restaurantzen.com
